

Medicare Part D MAC Pricing Review Application

User's Guide

Federal regulations have established standards for the disclosure and update of prescription drug prices included in the Medicare MAC listing. Since January 1, 2016, all MPD Participating Pharmacies have access to the list of drugs included in the Medicare MAC listing.

The MC-21 **MPD MAC Pricing Review application** allows Pharmacy Providers easy access to the list of drugs included in the MPD MAC List.

The application tool:

- Has an “[Announcements](#)” section which contains a list of drugs that will have a change in price in the next seven (7) days.
- Allows searches by product and by date ([Drug Search](#) section).

Please complete the on-line registration process and begin using this very helpful tool.

One-Time Registration

1. Access <https://www.mc-21.com>
2. Select [Pharmacy Services](#)
3. Select [Pricing Review Processes](#)
4. Select [Medicare Part D Pricing Review Application](#)
5. Select [Registration](#)

A screenshot of a web form titled "Pharmacy Login". The form contains two input fields: "Username" and "Password". Below the password field, there are two links: "Registration" and "Forgot Password", both underlined. A large blue arrow points from the left towards the "Registration" link. At the bottom of the form is a "Login" button.

6. Enter the requested pharmacy information. When completed, press "Register".

7. Pharmacy will receive an email confirming that the pharmacy has been successfully registered.

Using the Application

After successful register, the Participating Pharmacy may use the application to review the MPD MAC Price list.

- Access <https://www.mc-21.com>
- Select [Pharmacy Services](#)
- Select [Pricing Review Processes](#)
- Select [Medicare Part D MAC Pricing Review Application](#)
- [Announcements](#) section - contains the list of drugs that will have a change in price in the next seven (7) days.
- [Drug Search](#) section - search by product and by date. Enter the product's NDC or select the name of the drug, and enter the specific date for which you want to review the drug's cost.
